Socastee Heritage Festival

Stanford Achievement Testing

This Week!

April 22nd - 26th

Grades K5 - 9

How to help your child be ready for testing each day:

- Calm anxiety by explaining that the test will measure what each student knows so that their educational experience can be improved - it is important, but it is not "for a grade" for school!
 - Encourage your child to listen and read carefully.
 - Encourage your child to do his/her best for the Lord.
- Eat a nutritional breakfast each morning, and drink extra water!
 - Get plenty of rest each night!
- Be at school and be on time! Being rushed causes anxiety.

Socastee Heritage Festival
