

Corporate Fundraising Program Business Partnership

Calvary Christian School is a non-profit organization providing a Christian alternative in education to the Grand Strand for over 40 years. Our mission is to provide educational excellence in the various subjects from a biblical worldview. We are focusing on a project to renovate our front building to increase the "curb appeal" of Calvary Bible Church and Christian School. This is a large project but a very important one to display the excellence of our programs to the community through our facilities. Thank you in advance for your help.
