2023-2024

Dear Parents,

Music education is a vital part of your child's total development. Research has proven that music enhances cognitive, physical, social, emotional, and language development. To ensure that each child will gain all of the benefits of music education, CCS offers a comprehensive music education program beyond the regular classroom music curriculum. Opportunities for this school year are listed below.

KINDERMUSIK®

Kindermusik® is a developmentally appropriate curriculum that incorporates vocal development, movement, listening, creative expression, and early instrumental experience. Classes are offered to students in K3-Grade 2.

Kindermusik®	Annual Tuition (30 Lessons)	Material Fee
K3, K4, and K5 <i>ABC Music & Me</i>	\$315 (or \$35/mo. x 9 months)	\$190
Grades 1-2 <i>Kindermusik for the Young Child</i>	\$405 (or \$45/mo. x 9 months)	\$190

All payments for Kindermusik should go directly to Kids on Parade.

INSTRUMENTAL OPPORTUNITIES

Students may elect to study acoustic guitar, cello, flute, mandolin, piano, string bass, ukulele, viola, and violin.

Election	Annual Tuition (30 Weekly Lessons)	Material Fee
Private Instruction (30 min.)	\$900 (or \$100/mo. x 9 months)	TBD

All payments for music lessons should go directly to their music instructor.

Please indicate your interest on the form below and return it to the school office as soon as possible so that we may begin planning this important part of your child's education. If you have questions or need more information, please contact me at jbosworth@ccsmb.com.

Thank you for your interest in developing the fine arts program at CCS. Because of your response and support, we are able to continue and expand the musical opportunities for our students.

Sincerely,

Joan Bosworth

Director of Fine Arts
