

## Corporate Fundraising Program Business Partnership

Calvary Christian School is a non-profit organization providing a Christian alternative in education to the Grand Strand for more than 50 years. Our mission is to provide educational excellence in the various subjects from a biblical worldview.

Calvary Christian School's Sponsorship program offers many advantages. First, it is an effective way to promote your company to hundreds of school and preschool families throughout the year. The people you reach in both print and electronic formats will include currently enrolled families, former students and parents, community friends and leaders, plus growing numbers of men and women who attend Calvary Bible Church, the school's parent ministry.

Corporate Sponsors receive great value through our growing online social network, our school's website, and mention in our print media. This exciting marketing program also offers you opportunities to have your business highly exposed at the school's annual events such as the Fall Festival, Christmas Program, Spring Fine Arts Program, and Graduation.

If you would like to learn more about being a Corporate Sponsor, at any level, please contact Mark Roland or Kathy Anderson at 843-650-2829 or [info@ccsmb.com](mailto:info@ccsmb.com).
