

CPA MARCH MADNESS COIN DRIVE

March 8-26

Bring your pennies, dimes, or quarters – any spare change you give will be used to help fund equipping the new classrooms being built through the Capital Campaign Improvement project. Equipping classrooms is a big part of what CPA does.

Jars will be set up in each grades homeroom to collect spare change.

The class that collects the most money during the fundraiser will win a pizza party and a dress down day. The winning class will be based on a class average.

So check your pockets and your furniture for any spare change. Even a small amount can make a big difference if we all do our part.
