

Corporate Fundraising Program Business Partnership

Calvary Christian School is a non-profit organization providing a Christian alternative in education to the Grand Strand for more than 40 years. Our mission is to provide educational excellence in the various subjects from a biblical worldview.

This year, we are focusing on expansion to ensure that we are continuing to offer excellence in all areas of education. Our student body has grown by almost 200 students in the last five years, and we need to add classrooms to continue the excellence of our programs to the community through our facilities. The next phase of our expansion plan is to add a wing to our education building providing an additional four classrooms. Please consider partnering with us as we grow!

Thank you in advance for your help.
